

## Updated 2017 District Practice Schedule

All practices will be held at the Extension Office unless another location is indicated. 4-Hers who are waiting on a contest practice to start or their parents to pick them up are asked to bring a book or Video Game. The office is open at 8:00 a.m., but is closed for lunch from noon – 1:00 p.m. **While in the Extension Office, you are expected to be quiet and to not be running up and down the halls.** When it is time for your contest to practice, you are expected to go to the meeting room without being told. We do realize that 4-Hers cannot make every practice so materials are available for study at home.
