Marsha Byrd

Marsha Byrd was born and raised in Tucumcari, graduating from Tucumcari Schools. In 1971, she married Richard Byrd and two boys were born to this marriage, Brent and Cody. Marsha has always had a love for youth and her boys were active in 4-H while raising and showing cattle, showing pigs and showing horses. Marsha has enjoyed many hours helping the youth plus her own kids as a club leader, chaperoning county youth to the "legendary" State Horse School in Albuquerque, reviving the Quay County Play Days, serving as Superintendent of the County Horse Show and County Bred "Catch-It-Heifer" contest. PLUS serving on the Quay County 4-H Finance Committee; all the while continuing her role of "advisor" for all 4-H youth.

In the work world, Marsha was manager of the HIM Departments at both Ward Memorial Hospital in Monahans, Texas, and Dan C. Trigg Hospital locally for 36 years plus serving as Vice-President of the local nonprofit "Paws and Claws" since 2015. In the meantime, she has been a wonderful grandmother to Cole, Logan, and Emmalyn.

Marsha has served her community, the local Fair Board, and the youth for 24 years of which she feels honored to have been able to watch the success of our leaders of tomorrow!

What is an ADD-On?

Add-ons are a very affordable way to contribute to the livestock sale and indoor premiums!

For Livestock you can increase the total sale price for a specific youth or species with an add-on, and it will be directly credited to their sale amount. For Indoor Projects you can increase the total premium for a specific youth or project, and this will be added directly to the total premiums. Any amount is accepted, and no bidding is required to participate. This is an easy way to help out the youth of Quay County and is tax deductible!

What are buyers groups?

Buyers groups are individuals who work together to raise money to help with the purchase of livestock during the County Fair. We have many different buyer groups in Quay County, if you are interested in joining one, call the Quay CES Office at 575-461-0562 or talk to a fair board member about what buyers group is best for you!

CATCH-A-CALF CONTEST RULES

OBJECTIVE: To Give Young Youth The Opportunity To Establish And Maintain A Beef Show Project

SUPERINTENDENT: Rick Thompson

1. Three individuals, per 4-H Club and FFA Chapter, are eligible to apply. Applications must be turned in at the Quay County Extension Office prior to July 30, 2024 at 5:00 p.m. There will be a \$15.00 entry fee. Time of interviewing will be announced. There must be 3 participants in order to hold the contest.
2. A maximum of 8 calves can be awarded and calves must be picked up from the donor no later than December 1 of 2024.
3. To be eligible, a 4-H/FFA member must be in good standing with the 4-H Club or FFA Chapter. The member must have the potential to maintain an animal husbandry program. The member must be at least 12 years of age (or 11 and in the 6th grade) by January 1, of current year, and must not have completed their junior year of high school. The Club Leader or FFA Advisor should consider need as a partial basis of selection.
4. Insurance arrangements must be made prior to receiving the calf. The calf MUST BE insured for a minimum of \$1,500.00. If the animal dies, this will go for the purchase of a replacement animal and other expenses. Replacements should come from the previous donor.
5. If insurance requires a health certificate, the arrangements and fee for obtaining a health certificate is the responsibility of the recipient and must be made prior to picking up the animal.
7. Once the member has received the calf, they must keep the breeder informed as to the progress of the calf. This will be done by a written report once a month to the breeder. A copy of each month's report must be sent to the Extension Office by the 10th of the following month. A record book must be kept on the calf, including pictures, monthly report forms and record book form. The record book will be turned in at the time of entry at the Quay County Fair.
8. Each member who catches a calf will be required to show the selected calf in the Catch-A-Calf Class at the Quay County Fair. It is understood that until this obligation has been met, ownership of the calf shall be with the breeder. The calf shall not be re-branded until project is completed.
9. If a heifer is chosen, it is best if heifer is bred at the time of showing. It is not the responsibility of the heifer donor to provide a breeding bull.
10. Recipient will provide an 8 X 10 picture of the calf, member, and donor at the fair to be given to donor. Pictures will be taken the day of the show. Pictures are ordered by the committee and the fee for the picture is included in entry fee. Showers are responsible for delivering the picture to the donor.
11. If a breach of contract occurs the grievance committee will study and make decisions on any Catch-A-Calf problems. The committee will consist of the Breeder, Extension Agent, FFA Advisor and calf Committee. The decision of the Grievance Committee will be final.
12. After a member has caught one calf in the Catch-A-Calf Contest, eligibility to participate expires.
13. The calves that will be used in the arena for the contest will NOT be the calf that the member will keep. A selection committee of an Agent, Superintendent, the Breeder, and/or appointed Catch-A-Calf Committee member select the calves at weaning time. Calves can be commercial or registered. This is up to the breeder.
14. All rules will be governed by the contract signed by parents, Catch-A-Calf committee chair and the exhibitor.
15. The Committee with the FFA Advisor or Extension Agent of the recipient will supervise the project.

16. Rules While in the Arena for the Scramble:
- a. Members will be permitted to take into the arena a rope halter with no more than a 10-foot lead. The halter or rope cannot be used as a lariat. The halter must be placed on the animal in the usual way.
 - b. At no time will a participant be permitted to tie the rope to his/her body or belt.
 - c. If a participant catches the calf by the tail, they will be given a reasonable amount of time to work around to his head, otherwise, the referee will order him/her to let the calf go.
 - d. Undue roughness will not be tolerated by the referee. Poor sportsmanship automatically disqualifies any contestant.
 - e. Shoes with any type of cleat, rubber or metal WILL NOT BE ALLOWED.
 - f. The member must have the calf under control and cross the finish line before it is considered a legal catch.
 - g. When one contestant has control of the calf, no other contestant may touch the animal.
 - h. Parents of participants will not be in the arena during the Contest.
 - i. Other decisions that might arise in the arena, like more than one member catching the calf at the same time, or dropping the halter after the calf is caught, will be made on the spot by the Catch-A-Calf Committee Members in the arena. Their decisions will be the final say.
 - j. If participant loses control of the calf, anyone can catch the calf but must remove the 1st halter and replace it with their own halter.
17. The Quay County Fair and/or Catch-A-Calf Committee Members and/or Donors will not be responsible for any accidents which may occur to any participant in the contest before, during, or after the Scramble and throughout the year.
18. An overall winner will receive a jacket. Winner will be determined by the following guidelines:
1. Calf Management—30%
 2. Records—30%
 3. Show Ring—20%
 4. Showmanship—20%

All ties will be broken by the highest record book score.

The \$15.00 entry fee will be used to purchase a picture for the donor at the following year's fair. If you do not catch, the fee will be refunded. Make checks payable to Quay County 4-H.

A Scholarship program has been established for participants in the Catch-A-Calf Contest. The scholarship will be an incentive for raising a quality calf and being a well-rounded 4-H or FFA member. Two scholarships in the amount of \$250.00 will be awarded to a high school graduate who is entering their first year of continuing education.
