

Quay County Cloverbud Record Book Instructions and Form

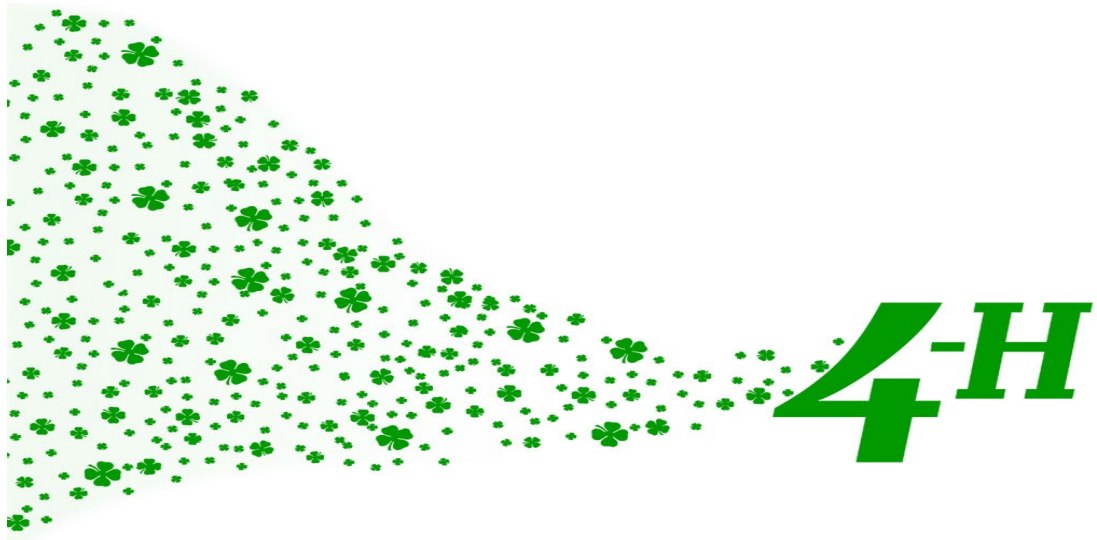

We hope you enjoyed your year as a Cloverbud. The final step in finishing the 4-H year, is record books. We have designed this special record book form just for you. You may have your parents help you with this form. The answers do not have to be in your writing, but they should be your own words. If you put together your record book and turn it in by the deadline, you will receive a special prize at the Awards Program in November.

You may use any folder that has a way to attach sheets for your record book or you may purchase one from the Extension Office for \$2.00 that has a clover on it.

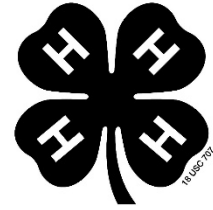

This is the order to put your items in the folder.

1. Picture Page - on a sheet of paper, glue a picture of yourself and write your name underneath. You may decorate the page if you want
2. Cloverbud Report Form - The next page of this packet begins your form. Tell us about your Cloverbud activities.
3. Completed Project Book - Your project book had places for you to write information. If you filled it out put it in your book, so you will have it to look at later.
4. Pictures of You Participating in 4-H and Cloverbud Activities - Glue your pictures on some paper. You may decorate the paper or put captions under the photo. There is no limit to the number of pictures you put in the book

Have fun working with your parents on this book.
