2022 Honored Fair Supporters
Harold and Matalina Smith

For more than 30 years, Harold and Matalina Smith volunteered their time and support to the Quay County Fair Board and the youth of Quay County. Throughout her tenure, Matalina held several offices including Secretary and Treasurer and was responsible for starting the Junior Livestock Sale Buyer's Club for Logan/Nar Visa. Harold and Matalina Smith's passion to support kids and agriculture is unwavering and through their continued servant leadership, they have helped numerous 4-H and FFA members.

Harold and Matalina's children and grandchildren were active in many aspects of 4-H and FFA and were fierce competitors in the show ring. The couple values the life lessons and skills learned from these two organizations and continues supporting them. The many capacities of roles served include: adult leader, record book judge, executive committee member, fundraiser and cheerleader, just to name a few. For many years, Matalina even handmade the Champion banners so the winners would have memorable keepsakes.

Matalina served with many great volunteers on the fair board whose sole mission was to support the youth of Quay County. Countless hours were spent developing relationships and networks to increase the Junior Livestock Sale premiums, exhibitor numbers and build the highest-quality county fair in the state.

The Smiths still raise money to assist livestock exhibitors and volunteer their time where they can. They are grateful for the opportunities their family has been provided and will always be champions of youth and agriculture.

GENERAL RULES FOR ANIMAL DEPARTMENT

1. All general rules of the fair apply to this department.
2. The Junior Livestock Show consists of qualified projects of FFA, 4-H, and youth ages 6 years old to 9 years old under the supervision of a Vo-Ag Teacher, County Agent, or Fair Board Member. Entry forms must be signed.
3. All junior livestock entries will be in place by 9:00 a.m. Wednesday.
4. The exhibitor is responsible for their livestock including providing feed, water and grooming equipment. All stalls will be bedded. After this, each exhibitor will be responsible for keeping it clean.
5. All exhibitors are to be actively involved in all aspects of fitting and grooming during the fair. It is the responsibility of the exhibitor, exhibitor's parents or guardian, exhibitor's FFA teacher, 4-H Agent, or 4-H Leader to ensure this rule.
6. All exhibitors will have their animals in the barn, pens clean and ready for show by 9:00 a.m. each day of the fair.
7. All animals in market classes must be weighed on official fair scales with one weigh back allowed.
8. The decision of the classifier is final.
9. No premium will be given to any animal that is not deserving, whether or not there is competition. Premiums will be awarded according to the merit of the animal.
10. The Quay County Fair Board does not assume responsibility for animals not making the sale.
11. Thirty minutes after the steer show, the exhibitor must attend the Sale Meeting to confirm sale, packer or take home of animals.
12. All non-sale packer animals must be signed up by 3:00 p.m. on Saturday. No animals can be removed from the list after this time. The packer list will close at 3:00 p.m. on Saturday.
13. All Exhibitors and Parents must attend an Exhibitors Meeting on Wednesday to receive instructions.
14. Exhibitors in the Junior Livestock Show may exhibit animals in only one county fair. Members in FFA or 4-H in another county must choose which county to exhibit their animals.
15. County Born and Raised classes will consist of one animal per species per exhibitor. Exhibitor must identify all eligible animals on the entry form. Exhibitor may then choose from identified animals at time of show. Animals must be purchased from or raised by a Quay County resident.
16. Violation of rules will result in the forfeit all premiums and sale money.
17. You must enter the ring with your own animal during Showmanship Classes.
18. Age division for showmanship awards will be 6 to 13 for Junior Showmanship Classes and 14 - 19 for Senior Showmanship Classes. The entry deadline day will be the date to determine an exhibitor's age. An entry fee of \$5.00 per species will be charged to enter the showmanship class. There must be 3 to make a class. If the class does not make, entry fee will be refunded.
19. A Junior showmanship exhibitor that wins in a species twice will be moved up to the senior age division in that species. An exhibitor may only win the senior showmanship in a species twice.

21. Livestock entries must be in the Extension Office (with payment) by **July 27th** at 5:00 p.m. or will be subject to late fees of \$50 per animal until **August 1st**, at 5:00 p.m. Entries will not be accepted after August 1st, at 5:00 p.m.
22. Entries may be submitted by family, however individual exhibitors must declare ownership of animal at weigh-in.

JUNIOR LIVESTOCK SALE-Saturday 6:00 PM

Auctioneer: Tony Johnson

1. An exhibitor will be eligible to sell one animal that qualifies for the sale.
2. Exhibitors of sale animals will be required to sign a disclosure statement. Failure to sign the statement will forfeit the exhibitor's right to participate in the sale. Exhibitors must advise Superintendents prior to administering medications at the Fair. An exhibitor may utilize any medication so long as it has FDA approval for its use on the specific animal and situation, and so long as withdrawal times are adhered to before slaughter.
3. There will be a maximum of 45 sale slots plus a broiler pen, meat rabbit pen, egg layer pen, and baker rabbit if the minimum number of exhibitors is met.
4. The sale will be limited to 45 total sale slots. Only 90% of exhibitors will be eligible for the sale whether 45 is reached or not. The slots will be determined by the number of kids showing in a species, divided by the total number of exhibitors in each species (steer, swine, sheep and goat). That figure would be multiplied by number of exhibitors to get the number of head sold of the species. The final number would be rounded. Sale slots will be awarded to species having 5 or more exhibitors.
5. Livestock Superintendents and percentages will determine sale slots. Percentages will be broken by Breed, then by Class. The Livestock Committee has the final say over the sale order.
6. Exhibitor must indicate to their respective species superintendent which animal they plan to sell prior to the sale meeting.
7. All exhibitors with animals that are eligible for the sale, **MUST BE PRESENT** at the Exhibitors Meeting 30 minutes after the Steer Show on Friday to verify intentions to sell or withdraw the animal from the sale. If not present at sale meeting, sale slot may be forfeited.
8. If a sale slot for a class does not fill, the slot will be moved to the class within the breed with the most number of entries. In the case of a tie between the classes with equal number of entries, the sale slot will go to the heaviest weight of the tied classes. If the slot pulls through the breed, the slot moves to the next largest class of the next largest breed. Sale slots will not transfer from species to species.
9. Any junior exhibitor having an animal entered in the sale is prohibited from seeking special privileges from buyers such as asking permission to repurchase the animal from the buyer or packer to be shown again or to be used for other purposes. Any exhibitor who seeks such privileges will be the subject to such disciplinary action as deemed necessary by the Fair Board including withholding of sale check.
10. Weigh-in weights will be sale weights.
11. The Grand Champion and the Reserve Grand Champion Goat, Lamb, Swine, Steer, Champion Meat Pen Rabbit, Grand Champion Baker Rabbit, Grand Champion Egg layer and Grand Champion Broiler Pen from the Quay County Fair are eligible to sell through the Junior Livestock Sale at the option of the owner/exhibitor.
12. The exhibitor of the Grand Champion of each species (beef, sheep, swine, goats, rabbits, poultry) will have their choice of sale slots for the auction. If a Grand Champion is pulled, then the Reserve Grand Champion from the species may have their choice of slots.
13. No animal can be taken off the buyer's packer list unless approved by the superintendent. See General Rule 11.
14. For sale promotions of Junior Livestock Sale, 2% will be withheld from all sale animals and \$5 from all packer animals.
15. It shall be the responsibility of the exhibitor to deliver all animals sold at Junior Livestock Sale to a place designated by the Superintendent of his division at closing of the fair.
16. Buyers must make arrangements by 9:00 p.m., Saturday, for loading and removal of animals.
17. Buyer Club organizers are responsible for collection of contributions from their own members.
18. Exhibitor sale checks will be released upon receipt of all sale monies.
19. Thank you note process will be enforced as documented on page 12.
20. If any add-ons are announced during the sale, the add-ons will be part of the sale price.

CATCH IT HEIFER CALF CONTEST RULES

OBJECTIVE: To Give Young People The Opportunity To Establish And Maintain A Breeding Herd

SUPERINTENDENT: Marsha Byrd

1. Three individuals, per 4-H Club and FFA Chapter, are eligible to apply. Applications must be turned in at the Quay County Extension Office prior to July 27, 2022 at 5:00 p.m. There will be a \$15.00 entry fee. Time of interviewing will be announced. There must be 3 participants in order to hold the contest.
2. A maximum of 8 heifers can be awarded and heifers must be picked up from the donor no later than December 1 of 2022.
3. To be eligible, a 4-H/FFA member must be in good standing with the 4-H Club or FFA Chapter. The member must have the potential to maintain an animal breeding program. The member must be at least 12 years of age (or 11 and in the 6th grade) by January 1, of current year, and must not have completed their junior year of high school. The Club Leader or FFA Advisor should consider need as a partial basis of selection.
4. Insurance arrangements must be made prior to receiving the heifer. The calf MUST BE insured for a minimum of \$1,500.00. If the animal dies, this will go for the purchase of a replacement animal and other expenses. Replacements should come from the previous donor.
5. If insurance requires health certificate, the arrangements and fee for obtaining a health certificate is the responsibility of the recipient and must be made prior to picking up the animal.
7. Once the member has received the calf, they must keep the breeder informed as to the progress of the heifer. This will be done by a written report once a month to the breeder. A copy of each month's report must be sent to the Extension Office by the 10th of the following month. A record book must be kept on the heifer; including pictures, monthly report forms and record book form. The record book will be turned in at the time of entry at the Quay County Fair.
8. Each member who catches a calf will be required to show the selected heifer in the Catch It Heifer Class at the Quay County Fair. It is understood that until this obligation has been met, ownership of the heifer shall be with the breeder. The heifer shall not be re-branded until project is completed.
9. It is best if heifer is bred at the time of showing. It is not the responsibility of the heifer donor to provide a breeding bull.
10. Recipient will provide an 8 X 10 picture of the heifer, member, and donor at the fair to be given to donor. Pictures will be taken the day of the show. Pictures are ordered by the committee and the fee for the picture is included in entry fee. Showers are responsible for delivering the picture to the donor.
11. If a breach of contract occurs the grievance committee will study and make decisions on any Heifer Scramble problems. The committee will consist of the Breeder, Extension Agent, FFA Advisor and Heifer Committee. The decision of the Grievance Committee will be final.
12. After a member has caught one calf in the Heifer Scramble Contest, eligibility to participate expires.
13. The calves that will be used in the arena for the contest will NOT be the calf that the member will keep. A selection committee of an Agent, Superintendent, the Breeder, and/or appointed Heifer Committee member select the heifer calves at weaning time. Calves can be commercial or registered. This is up to Breeder.
14. All rules will be governed by the contract signed by parents, heifer committee chair and the exhibitor.
15. The Committee with the FFA Advisor or Extension Agent of the recipient will supervise the project.

In Memoriam

Karen Bell raised her family in Nara Visa, NM where she was active in many organizations, including the Nara Visa Garden Club. Here she developed her gardening and arranging skills, and won many awards at the Quay County Fair. Over the years, she too on more roles with the Garden Club and put her organizational skills to work as the Assistant Superintendent of the Flower Show at the Quay County Fair. After the passing of Travis Nelson in 2010, Karen took over the Superintendent position and ran the department until her death in 2021. Karen always made sure there were plenty of flowers and arrangements in the show. She would bring many flowers from her own garden and helped others create arrangements to enter in the fair. Karen is greatly missed by the Community of Nara Visa and the Quay County Fair Family.
